agape | TO YOUR SEAT

THE MONEY EVERY VENUE LOSES IN LINE.

Agape brings what fans wanted to their seat, and turns every order into a relationship that follows them to every event.

8 IN 10

fans have walked away from a concession line without buying.

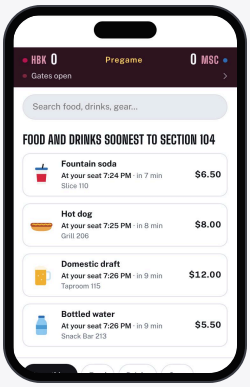

79%
missed a key play in line

77%
would buy more with a shorter wait

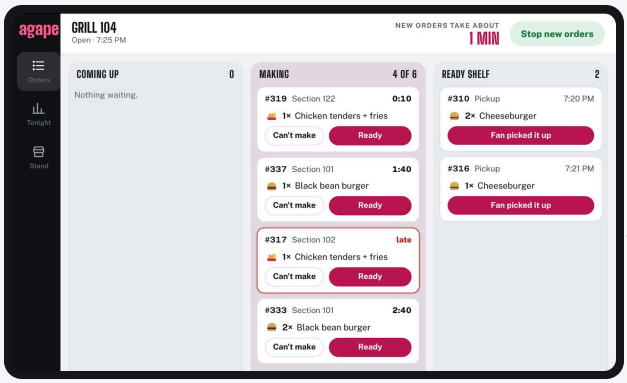

+43%
more spent per game if waits were halved

AGAPE TAKES THE LINE AWAY

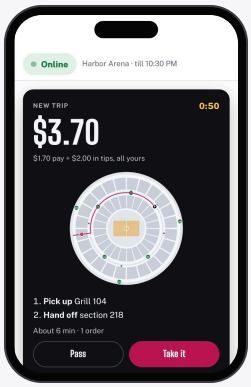

THE FAN ORDERS

and sees when it reaches their seat

THE STAND MAKES IT

timed to leave on time

A RUNNER BRINGS IT

several orders on one route

Sources: Mashgin, “Beyond the Bases” (2025); Oracle fan survey (3,500+ fans); Live Nation 2025 results; Front Office Sports (2026). Screens are from Agape's working demo.

159M
fans at Live Nation events alone, 2025

71.75M
at MLB games, 2026: one league of many

Games, concerts, college sports and festivals. Built for any live event, with our first venues likely in Kentucky.

HOW THE MONEY MOVES

EVERY DOLLAR FLOWS THROUGH AGAPE

Agape keeps its share first, then pays everyone else. Nobody is ever collected from.

A share of every sale

A delivery fee on every order

Sponsors and bookings at later steps

WHY AGAPE WINS

TIMES THAT COME TRUE
Measured live from every kitchen and runner

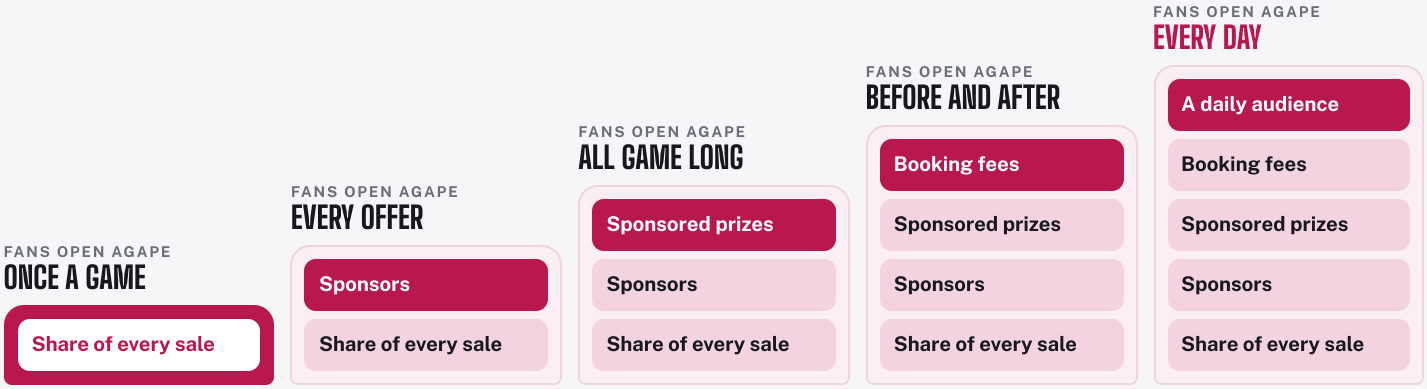

DELIVERY THAT PAYS
Built around deliveries per runner hour

ONE SET OF BOOKS
Every party, one ledger, to the cent

LIVE IN AN AFTERNOON
A form, not an integration project

WHERE IT GOES

FOOD IS HOW FANS START
