agape TO YOUR SEAT

THE MONEY EVERY VENUE LOSES IN LINE.

Agape brings what fans wanted to their seat, and turns every order into a relationship that follows them to every event.

8 IN 10

fans have walked away from a concession line without buying.

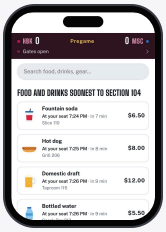

79%
missed a key play in line

77%
would buy more with a shorter wait

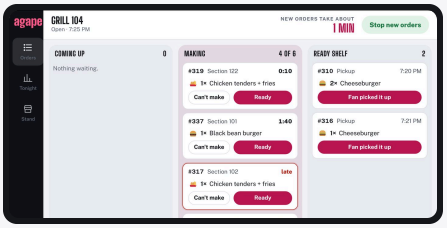

+43%
more spent per game if waits were halved

AGAPE TAKES THE LINE AWAY

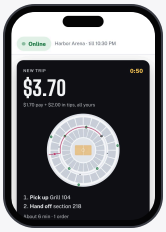

THE FAN ORDERS
and sees when it reaches their seat

→

THE STAND MAKES IT
timed to leave on time

→

A RUNNER BRINGS IT
several orders on one route

HOW THE MONEY MOVES

EVERY DOLLAR FLOWS THROUGH AGAPE

Agape keeps its share first, then pays everyone else. Nobody is ever collected from.

Fans pay → **agape** keeps its share → Stands · Runners · Tax

- **A share** of every sale
- **A delivery fee** on every order
- **Sponsors, deals, tickets** as levels switch on

WHERE IT GOES
